EDUCATION

Brigham Young University, Marriott School of Business

B.S., Information Systems (pre-application). BYU High Honor Roll. GPA: 4.00.

Relevant Coursework: Spreadsheets & Business Analysis, Financial & Managerial Accounting, Statistics

Provo, UT

Expected Apr 2029

EXPERIENCE

Research Fellow

BYU Marriott School of Business

Sep 2026 – Present

Provo, UT

- Selected as a Research Fellow; training to support faculty publication via database research, data cleaning, and statistical analysis.
- Prepare literature reviews and structured datasets for faculty-authored papers.

Teaching Assistant and Touring Company Member

BYU Ballroom Dance

Jan 2024 – Present

Provo, UT

- Instruct 50+ students across two skill levels, adapting technique instruction to mixed-ability partnerships.
- Selected by audition for BYU's Ballroom Dance Touring Company, reigning international formation champion and flagship ensemble of the world's largest collegiate ballroom program.
- Compete year-round on formation teams, winning national championships in nearly every season across three annual competitions and multiple touring performances.

Volunteer Representative

The Church of Jesus Christ of Latter-day Saints

May 2024 – Feb 2026

Atlanta, GA

- Led 22 months of full-time service entirely in Spanish, expanding outreach to Atlanta's Spanish-speaking community.
- Set and tracked weekly goals with rotating partners across 5 area assignments, adapting strategy to each community.
- Taught weekly English classes and performed ongoing community service.

Special Events Staff

BYU

Sep 2023 – Apr 2024

Provo, UT

- Coordinated ticketing, seating, and parking for 50+ campus events, including football games and commencement-week venues.
- Managed guest entry at LaVell Edwards Stadium (60,000+ capacity), resolving credential disputes during peak gameday arrivals.

PROJECTS

Schedule Optimizer

- Designed and built a course-planning tool that generates conflict-free schedules under competing constraints: prerequisites, credit load, time preferences, and scholarship eligibility across all 10 colleges.
- Has processed 50+ server requests; independently scoped, built, and iterated outside coursework using the Claude API and HTML/CSS/JavaScript, and in active development.
- Also built a personal portfolio site, a liquid-physics simulation, and an arcade game, all deployed via Git and GitHub Pages.

SKILLS

Proficient: Optimization Modeling, Database Research, Prompt Engineering, Anthropic Claude API, HTML, CSS, JavaScript, Git, GitHub

Experienced: Excel (VBA, Solver), SQL, Data Cleaning, Data Modeling, Blender 3D Animation

Languages: Spanish (Fluent)

CERTIFICATIONS

- AWS Certified AI Practitioner (AIF-C01)
- CITI Program, Social & Behavioral Research Investigators/Mentors

AWARDS & HONORS

- National Vice Champion, Ballroom Dancing, trained under international coaches from Poland, Russia, Italy, and Canada.
- Karl G. Maeser Preparatory Academy: top-ranked academic high school in Utah; selected by faculty panel as one of ten Last Lecture speakers to address the school before graduation.
- Eagle Scout, Boy Scouts of America; led an environmental restoration project in American Fork Canyon.
- Humanitarian service, Guatemala (Apr 2023): tracked nutritional health for 50+ children across 4 communities.

ACTIVITIES

- Member, Association for Information Systems and BYU AI Association.
- Studied international business practices in France, Italy, and the United Kingdom through BYU's Business Fundamentals in Europe Study Abroad.
