EDUCATION

Brigham Young University – Marriott School of Business

Expected Apr 2029

Provo, UT · B.S., Information Systems · GPA 4.00 · BYU High Honor Roll

Specialized Courses: Spreadsheets & Business Analysis, Financial & Managerial Accounting, Statistics.

- Applying to Information Systems program, Fall 2027.
- Member – Association for Information Systems.
- Studied international business practices across France, Italy, and the United Kingdom through BYU's Business Fundamentals in Europe Study Abroad.

EXPERIENCE

Research Fellow, BYU Marriott School of Business – Provo, UT

Sep 2026 – Present

- Selected as a research fellow, expected to support faculty publication through database research, data cleaning, and statistical analysis.
- Prepare literature reviews and structured datasets for faculty-authored academic papers.

Volunteer Representative, The Church of Jesus Christ of Latter-day Saints – Atlanta, GA

May 2024 – Feb 2026

- Led and trained a team of 20+ volunteers across a multi-city region, running weekly planning, assignment, and goal-setting meetings.
- Trained newly arrived volunteers on outreach methods, daily logistics, and regional operations, bringing each to independent fieldwork within their first weeks.
- Expanded community outreach to Atlanta's Spanish-speaking population, working and teaching entirely in Spanish for 22 months of full-time service.

Special Events Staff, BYU – Provo, UT

Sep 2023 – Apr 2024

- Coordinated ticketing, seating accommodations, and parking logistics for 50+ campus events, including football games and commencement-week venues.
- Managed guest entry and policy enforcement at LaVell Edwards Stadium (60,000+ capacity), resolving seating and credential issues at the gate to keep entry lines moving through peak gameday arrivals.

SKILLS & ACHIEVEMENTS

- Proficient in: Excel (VBA, Solver), HTML, CSS, JavaScript, Git and GitHub, data cleaning, data modeling.
- Experienced with: Anthropic Claude API, prompt engineering, optimization modeling, database research, Blender 3D animation.
 - Schedule Optimizer – course-planning tool that generates conflict-free schedules under competing constraints (prerequisites, credit load, time preferences, scholarship eligibility across all 10 colleges); built with the Claude API and HTML/CSS/JavaScript, cutting multi-hour registration planning to minutes.
 - Personal portfolio site built from scratch, plus a browser-based liquid-physics simulation and an arcade game, all deployed with Git and GitHub Pages.
- AWS Certified AI Practitioner – AWS certification covering machine learning and generative AI concepts, prompt engineering, model selection, and responsible AI.
- National Vice Champion, Ballroom Dancing – trained under international coaches from Poland, Russia, Italy, and Canada; selected by audition for BYU's Ballroom Dance Touring Company, the top ensemble in the largest collegiate ballroom program in the world.
- Fluent in Spanish.
- Member, BYU AI Association – student-run club for applied machine learning and generative AI.
- Humanitarian service, Guatemala (Apr 2023) – tracked nutritional health for 50+ children across 4 communities during a two-week project.
- Enjoy: international travel (Egypt, Greece, Israel, France, Italy, England), cross-cultural living (hosted exchange students from China and Spain), skiing, and cooking.
- Eagle Scout, Boy Scouts of America – led an environmental restoration project in American Fork Canyon.
